

Aloe Ferox Whole Leaf – 60 Vegan Capsules

Constipation Remedy and Parasite Cleanser

Aloe Ferox Whole Leaf is naturally packed with a complex of over 130 biologically active nutrients that fortify and support the immune system. Unlike most supplements, our Aloe Ferox Whole Leaf caps are made without any excipients such as stearates, talc and other immune suppressing agents. Nothing else is added. A native plant of the Cape in South Africa, Aloe Ferox Whole Leaf contains both the dried aloin rich bitter sap and the entire leaf for its polysaccharides, glyconutrients, chlorophyll, fiber, vitamins, minerals, amino acids and essential fatty acids. Aloe Ferox has been used for centuries to clear parasites, worms and other invaders that undermine and often overwhelm our immune systems.

- The world's most remarkable constipation remedy, works in just days
- Effectively clears parasites, worms and other pathogens from the bowel, liver and blood
- Broad Spectrum Immune Support - 70% of the body's immune action is in the digestive tract
- Contains the whole leaf of the Aloe Ferox plant - bitter extract (dried sap) and leaf powder (after the sap has drained out of the leaf when harvested, the entire leaf is dried and ground into a fine powder)
- Nutrients in Aloe Ferox whole leaf includes 20 amino acids, most vitamins, ionic minerals, essential fatty acids, chlorophyll, fiber and glyco-nutrients
- 60 Vegan Capsules
- Packaged in Miron Violet Glass for maximum potency and freshness

Recommended Use:

- Most people use 1 or 2 capsules daily for effective bowel clearing, immune support and effective weight loss.
- Aloe Ferox Whole Leaf capsules are typically used daily for 90 days then 3 to 4 times weekly as maintenance.
- Not suitable for pregnant or lactating women.
